## ***Virtual Early Works Meet & Engage:***

**EWR-154.940J: Station Annex**

**Thursday, July 18th 2024 | 10:00AM-11:00AM | [Please Register HERE](#)**

As part of the Port Authority's multi-phase procurement process for the AirTrain Newark Replacement Program, this event for Disadvantaged Business Enterprises (DBEs) will introduce you to the participating primes, scopes of work, and identify next steps.

**We invite DBEs in the following categories of work:**

**General Conditions:**

- *Site Survey; Vibration Monitoring*

**Civil:**

- *Paving; Drainage; Grading*

**Structural:**

- *Structural Steel; Structural Concrete; Retaining Wall*

**Landscape Architecture:**

- *Tree and Stump removal*

**Mechanical:**

- *Mechanical removals and installations; Plumbing removals and installations*

**Fire Protection:**

- *Fire Protection relocations and installation*

**Electrical:**

- *Electrical removals and installations; electronics removals and installations*

**Environmental:**

- *Soil disposal, soil erosion, and settlement control*

**Geotechnical:**

- *Micropiles*

**Traffic:**

- *Pavement markings and signs*
