EWR Vision Plan

Community Engagement Session #2

ARUP SOM

Welcome!

Thank you for attending the second Community Engagement meeting for the EWR Vision Plan.

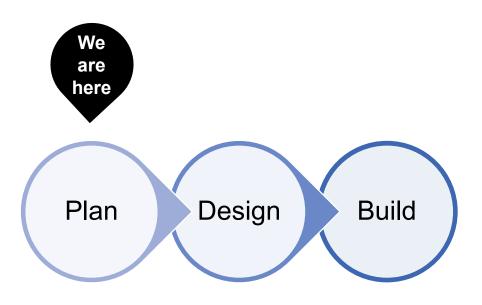

Today's Agenda:

- 1. Feedback we heard in our first Community Meeting
- 2. Determining Future Airport Needs
- 3. Breakout Discussions

What is the EWR Vision Plan?

- The Vision Plan will reimagine, and provide a blueprint for the long-term redevelopment of Newark Airport over the next 40 years.
- The goals for the Vision Plan:
 - Creating a memorable, locally driven, World Class Gateway for New Jersey
 - Enabling long-term economic growth for local residents and the region
 - Embedding sustainability in all aspects of the redevelopment

Meeting Schedule

The study has a 12-month schedule:

What we have heard

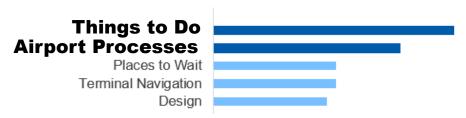

Feedback from Community Session #1

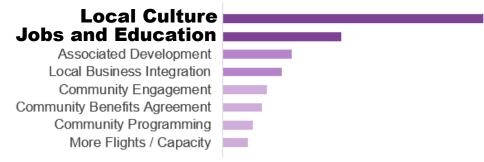

Jan/Feb 2023

Terminal Design & Amenities

Airport Access

Environment & Sustainability

Things to Do

Feedback from Community Session #1 – Draft for Discussion Purposes

"We want an experience while waiting for a flight, things for the family to do while waiting"

"The airport should provide a pleasant place to wait, and amenities for travelers and everyday employees."

- EWR New Terminal A contains sensory rooms and a play area to assist in providing family-friendly amenities.
- EWR New Terminal A has additional features at gates including more comfortable seating, and phone chargers

Airport Processes

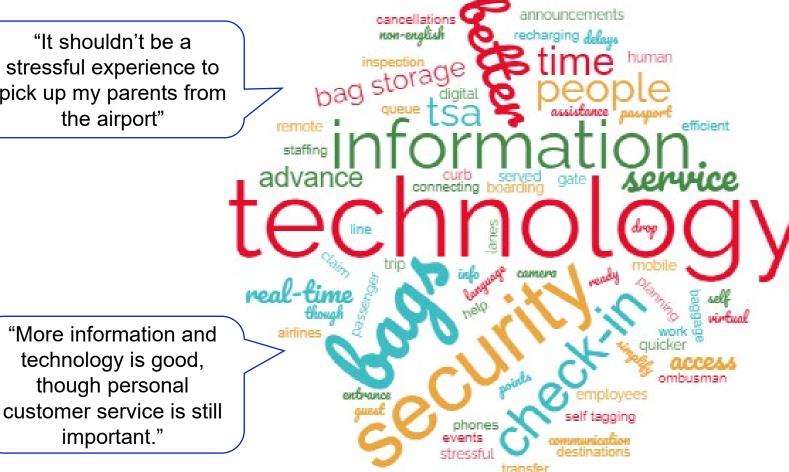

Feedback from Community Session #1 – Draft for Discussion Purposes

"It shouldn't be a stressful experience to pick up my parents from the airport"

"More information and

technology is good, though personal

important."

- **EWR New Terminal A has** significant focus on improved customer experience
- New wayfinding standards are being implemented at all Port Authority airports to improve signage

Local Culture

Feedback from Community Session #1 – Draft for Discussion Purposes

"Newark and Elizabeth have lots of history and attractions that the average traveler doesn't see"

diversity place heritage ironbound music attractions

"The airport should make you feel like you are in New Jersey – not somewhere generic"

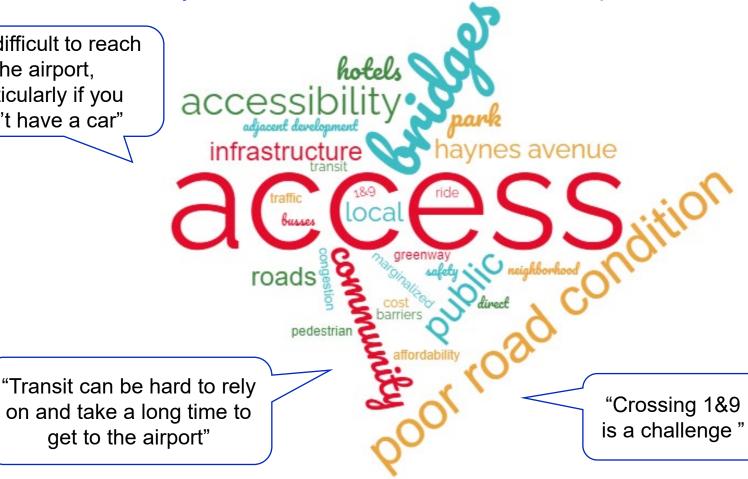

- EWR New Terminal A put emphasis on a local concessions program.
- showcases local art through sculptures and murals by Newark and New Jersey artists.
 Tributes to NJ history and famous New Jerseyans are displayed throughout the terminal.

Community Access

Feedback from Community Session #1 – Draft for Discussion Purposes

"It is difficult to reach the airport, particularly if you don't have a car"

- The EWR Vision Plan will look at improved landside access opportunities
- As part of the Vision Plan, changes to roadways, parking, and improved public transportation facilities will be explored

Jobs & Education

Feedback from Community Session #1 – Draft for Discussion Purposes

"Jobs at the airport are interesting"

"It would be great if it was clear how local residents can be trained and hired"

- The Port Authority of NY and NJ is committed to improving access to airport opportunities.
- EWR Redevelopment projects are relying on local, and M/W/SB/DBE contractors & vendors.

Determining Future Airport Needs

What questions will be addressed?

What do you have today

- Inventory
- Existing Condition Assessment

What you will need in the future

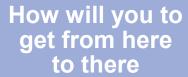

- Capacity Demand Analysis
- Facility Requirements
- Engage Stakeholders & Community

What is the optimum layout of facilities

- Develop Options
- Evaluate Options
- Simulate Operations
- Engage Stakeholders & Community
- Refine Preferred Options

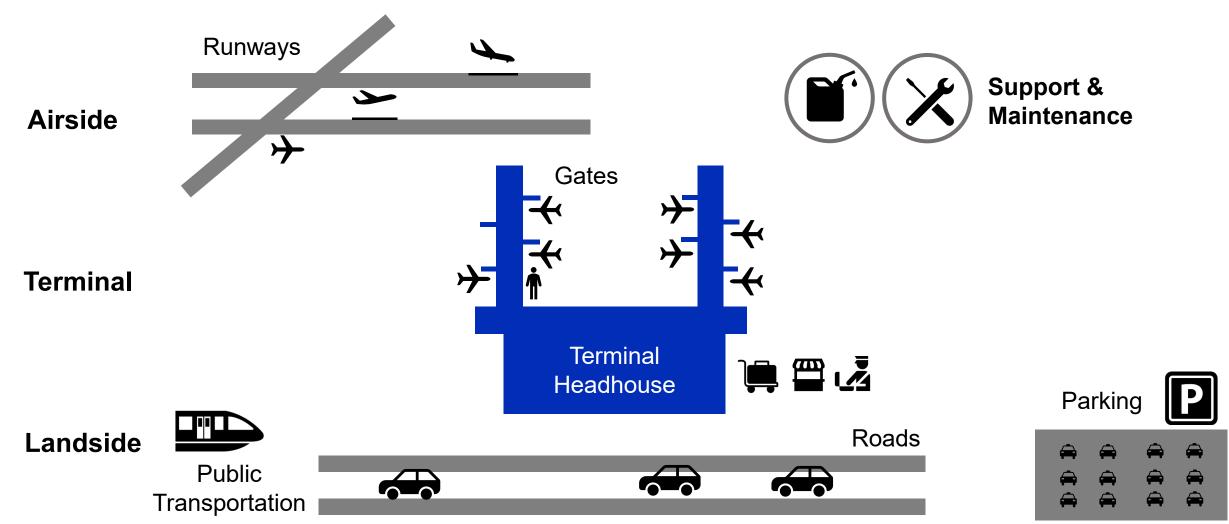

- Project
 Identification
- Phasing & Implementation
 Plan
- Vision Plan
 Documentation

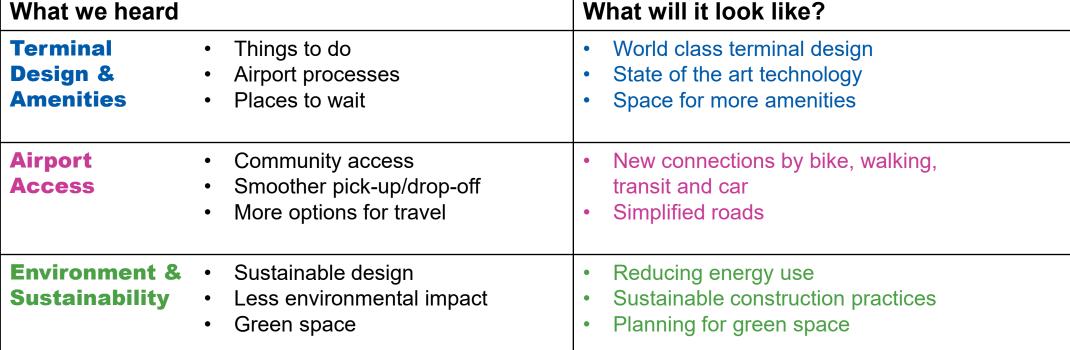

Building Blocks of an Airport

Design Elements

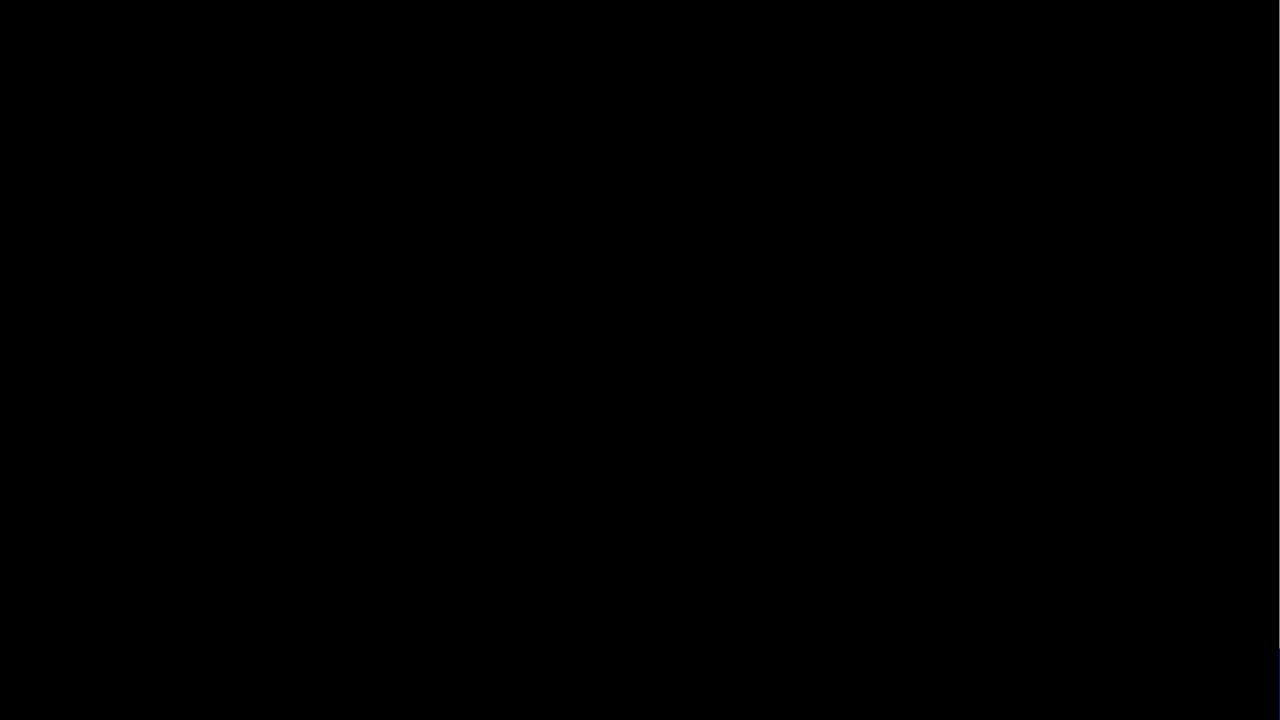

Local culture, art, design, will be included in the Vision Plan.

We have heard the need for community benefits which will be documented in the Vision Plan. Specific community benefits will be defined on a project-by-project basis.

What features & amenities could be incorporated at the airport?

Discussion

Terminal Design & Amenities

Local Collaboration

Airport Access

Environment & Sustainability

Terminal Design

Terminal Amenities

Local Collaboration

Airport Access

Environment & Sustainability

Breakout Sessions

We will divide the room into small break-out groups, each with a moderator.

Questions to consider:

- What did you like about the EWR New Terminal A that you saw in the video?
- What designs did you see that you like and feel would be good for our airport?
- What amenities have you seen that you think are important for EWR?
- What pieces of local culture do you think are important to highlight at EWR?
- Did you see any examples of airport access that you feel are important to include?
 What types of access do you think are more important?
- What sustainability aspects do you think are important for the airport design?

Thank you!
