INSTRUCTIONS

In order to be eligible for LBE participation credit, a firm must have its principal place of business located within Tier 1 Zone or Tier 2 Zone for at least one year. (See Exhibit A for definition of Tier 1 Zone and Tier 2 Zone.) **A principal place of business is the firm's main office or headquarters, where high-level officers direct, control and coordinate the firm's activities.**

Firms may also be eligible for LBE participation credit if they have a pre-existing presence and conduct significant business activities within Tier 1 Zone or Tier 2 Zone. In order to receive credit for a firm not having its principal place of business within Tier 1 Zone or Tier 2 Zone, the Lessee or Contractor must submit an LBE review request to the Port Authority Office of Diversity Equity & Inclusion and Government & Community Relations Department detailing the proposed firm's business activities both within and outside of Tier 1 Zone or Tier 2 Zone, including information on the length of time such business activities have been conducted. Additional factors that may be considered are listed below.

The determination of eligibility for LBE credit shall be at the discretion of the Port Authority, and may be based on a number of factors, including but not limited to the significance of the activities in Tier 1 Zone and Tier 2 Zone in comparison to the firm's overall activities, and the number of employees a firm has residing in Tier 1 Zone and Tier 2 Zone.

Any recent business presence established for the purpose of LBE eligibility on a Port Authority project, including but not limited to new office locations and the hiring of Tier 1 Zone and Tier 2 Zone residents as employees, shall not be considered.

LBE DESIGNATION REQUEST FORM

Section 1: Basic Information
